

# Microsoft 365 Teamwork Assessment

Providing a customized roadmap to accelerate migration, adoption, and enterprise collaboration

During the Microsoft 365 Teamwork Assessment, we focus on three main components:

## Assess

- Perform business decision maker assessment
- Perform IT readiness assessment
- Identify three business priorities

## Envision

- Deliver Art of the possible demos
- Teamwork design workshop
- Proof of concept enablement

## Report

- Business decision marker assessment report
- IT roadmap assessment report overview
- Agree to next plan of record

## Our Microsoft 365 Teamwork Assessment enables our clients to:

### Align Business and IT

by identifying use cases, creating strategic alignment, and defining an actionable roadmap

### Seamlessly Migrate

to quickly implement and integrate the Microsoft Teams platform

### Increase Productivity

with a centralized platform to communicate and collaborate more efficiently

### Fast Track Full Adoption

to leverage the full value of Microsoft Teams

## Assessment Duration

Three Days

## Assessment Cost

\$5,000
